# Armored HiAce & Coaster

Protected by  
Pak Armoring (Pvt) Ltd.

Protection Level **B6**

Transparent Armor: B6 (7.62 x 51)

- Replace OEM glass with curved & flat ballistic glass.
- All ballistic glass is rated to B6 standards.

Armor: B6 Armour Materials (7.62 x 51 NATO)

**HiAce** was primarily designed as a commuter vehicle, able to transport people. With ample interior space, an easy entry & exit sliding door and seating for 12, the HiAce minibus can take your team, family or club wherever you want to go with ease.

**Coaster** is the fruit of Toyota's efforts to achieve passenger car comfort in a small bus for improved passenger comfort, the new Coaster has been made bigger all around, the result is an exceptionally quiet cruiser-quiet enough to make passengers forget they're in a bus. Excellent for carrying multiple passengers in an armored and safe environment.
